

The background is a dark purple gradient. It features a variety of geometric shapes and patterns: a large dark blue circle in the center; a pink circle with diagonal stripes on the left; a blue circle with a dot pattern below it; a yellow zigzag line on the far left; a yellow triangle at the bottom left; a pink circle with a dot pattern on the right; a blue circle with diagonal stripes on the far right; a yellow pentagon at the bottom right; a yellow triangle at the top right; a pink dashed triangle on the right; a blue dashed circle at the top; a pink dashed circle at the bottom; a yellow dashed triangle at the top left; and a blue dashed circle at the bottom left.

OSS

Open Source Software

INTRODUCTION

- What is an Open Source Software ?
- Source code can be repurposed into other new software
- The LAMP

ORGANIZATIONS

● Mozilla
Foundation

● Apache
Software
Foundation

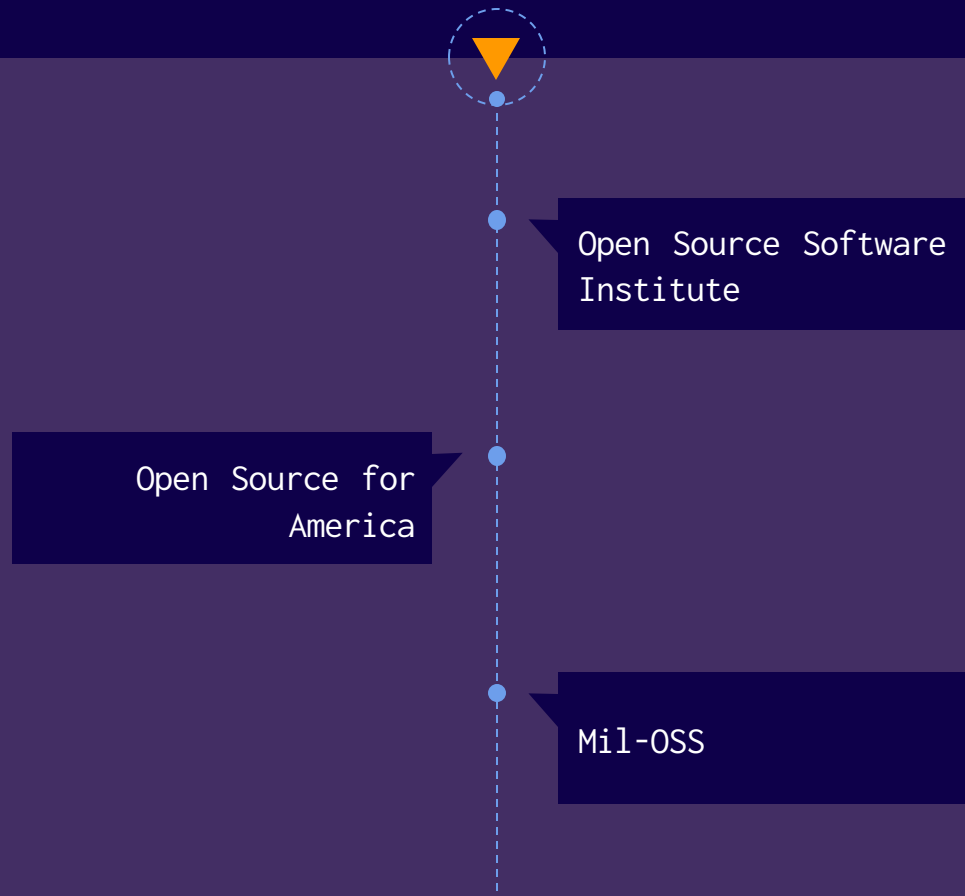

● Eclipse
Foundation

● OW2

● Linux
Foundation

● Debian
Project

Groups promoting the use of OSS

ADVANTAGES AND DISADVANTAGES

ADVANTAGES

- Highly reliable
- Promotes innovation
- Evolving continuously
- Fosters learning

DISADVANTAGES

- Non-user friendly
- Less personalized support
- Liabilities and warranties
- Security threats

Differences Between Open Source and Closed Source Software

- ☐ Price policy
- ☐ Security
- ☐ Quality of support
- ☐ Source code availability
- ☐ Usability

OSS Security

- OSS possessing security threat
- More due diligence on OSS security needed
- Find and Fix

Synopsis Offerings for OSS Security

- Open Source Software and third-party code audit
- Open Source risk assessment
- Web services and API risk audit

EXAMPLE

The image features a central dark blue circle containing the word "EXAMPLE" in white, uppercase, sans-serif font. Surrounding this central element is a complex arrangement of various geometric shapes and patterns on a dark purple background. These include: a pink circle with diagonal stripes on the left; a blue circle with diagonal stripes on the right; a yellow circle with a dot pattern at the bottom left; a solid pink circle below the central one; a yellow triangle at the bottom left; a pink pentagon at the bottom right; a yellow triangle with vertical stripes at the bottom right; a pink triangle with dashed lines on the right; a yellow triangle with dashed lines at the top left; a pink circle with dashed lines at the top left; a yellow circle with dashed lines at the bottom; a pink circle with dashed lines at the top right; and a yellow circle with dashed lines at the bottom right. The overall composition is abstract and modern.

PHP : Hypertext Preprocessor

- Websites and Web applications (server side scripting)
- Command line scripting
- Desktop (GUI) application

Thanks!
